

Your Immersive Work Experience

PREPARING YOU FOR YOUR NEXT BEST STEP

What You'll Explore

Transported directly into the worlds of **Engineering, Housing and the Visitor Economy**, you're going to be guided through how each sector works. You'll meet managers, owners and young people also on work experience, and once you're finished, you'll have the chance to tell us all about it.

Collect Your Stickers

Once you have completed a sector, you have the chance to collect your **Let's Explore** Badge. Your teacher will hand these out to you once you've successfully completed the review section.

What are you waiting for? **LET'S EXPLORE!**

I've Explored
Housing

I've Explored
Engineering

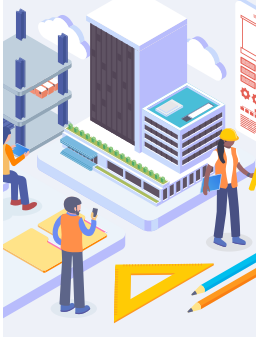

I've Explored
The Visitor
Economy

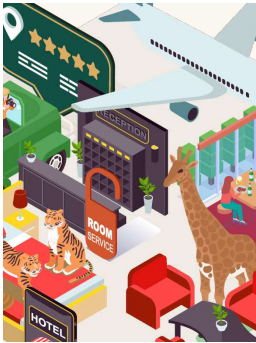

when you've finished each course, ask the teacher for your stickers to place here

The Housing Sector

The Engineering Sector

The Visitor Economy
