

Liverpool City Region Student Careers Champions

PARENT AND CARER GUIDE

Your son/daughter has been invited to represent the college as a Liverpool City Region Student Careers Champion.

What is the Further Education Careers Champion Programme?

The Careers Champion programme has been launched by the Liverpool City Region (LCR) Careers Hub and is designed to improve student, staff and parents understanding of labour market information (LMI) linked to growth sectors and FE curriculum areas.

A Careers Champion is a student ambassador who will represent a college curriculum area and commit to work with the tutors, wider careers team and other champions to promote specific opportunities and disseminate relevant information to the wider college population.
