

Pathways: Parent and Carer Information Sessions

Apprenticeship & Technical Education: Links

- A recording of this session can be found, via YouTube, [here](#)
- A copy of the session slides is available for download via this [link](#)

If you have any questions regarding the session or information, please email support@allaboutstem.co.uk

Apprenticeships

- [Find an Apprenticeship](#) is the Government portal to find, and apply for, apprenticeships in England. You can create an account for free. Additional apprenticeships may be found on individual company websites.
- Apprenticeships are subject to National Minimum Wage depending on age and what year of apprenticeship you are in, though some employers may opt to pay more. More information on minimum wage requirements is available [here](#).
- [Amazing Apprenticeships](#), founded to tackle misconceptions about apprenticeships and promote their benefits, have a variety of resources on their website to help explore and explain apprenticeships. Including specific resources for [Parents & Carers](#).
- Information on Higher and Degree Apprenticeships for October 2024 is available [here](#).
- [LCR Be More](#) provides Liverpool City Region specific apprenticeship information, vacancies and local labour market information.
- A handy guide to apprenticeship levels is available to download from [Amazing Apprenticeships](#).

T-Levels

- You can find out more information on T-Levels from Amazing Apprenticeships [here](#).
- To find out about T-Levels provided by institutions in the Liverpool City Region, use the ['Find a T-level' search](#).
- Specific information on T-Levels for Parents & Carers is available on t-levels.gov.uk [here](#).
- The Government have published a list of Universities who have confirmed they will accept T-Levels for entry [here](#).
