

Award the following marks

Criteria	0–3	4–6	7–10
House layout	<p>Attractive home but some of the features are in the wrong place or have been missed off.</p> <p>May be unfinished.</p>	<p>The home layout is correct, but unattractive or messy.</p>	<p>The home layout is correct, fully finished and attractive.</p> <p>Additional features maybe shown.</p>
Pricing	<p>The pricing is incomplete.</p>	<p>The pricing is complete but contains errors.</p>	<p>The pricing is complete and correct</p>
Renewable and sustainable features	<p>The house does not have two renewables</p>	<p>The house does have two renewables, but the team can't justify their decisions.</p>	<p>The house has two renewables that have been well thought out. The team can explain their decisions well.</p>
Presentation	<p>Not all team members contribute to the presentation.</p>	<p>All team members take part in the presentation, but they do not get their message across in the time allowed.</p>	<p>All team members stand up and present their ideas clearly within the time allowed.</p>
Teamwork	<p>The team didn't gel and most of the individuals worked in isolation.</p>	<p>The team had some difficulties but were able to work through them. Some decisions were made without consulting the rest of the team.</p>	<p>Individuals worked well in their job roles, came together to make decisions or offered help to others.</p>

Teamwork will need to be judged throughout the activity. It can be used as the tie breaker.
